Panama Hatty's Grill

Thank you for choosing Panama Hatty's Grill, we hope you enjoy your visit here and that you recommend us to all your friends.

We are an independently owned restaurant that prides itself on style, great value-for-money, fresh food, exciting cocktails & beers and attentive service in a warm and welcoming atmosphere.

The menu selection is taken mainly from the Latin countries, Mexico, the Caribbean, the American South West and a few other exotic places to spice things up.

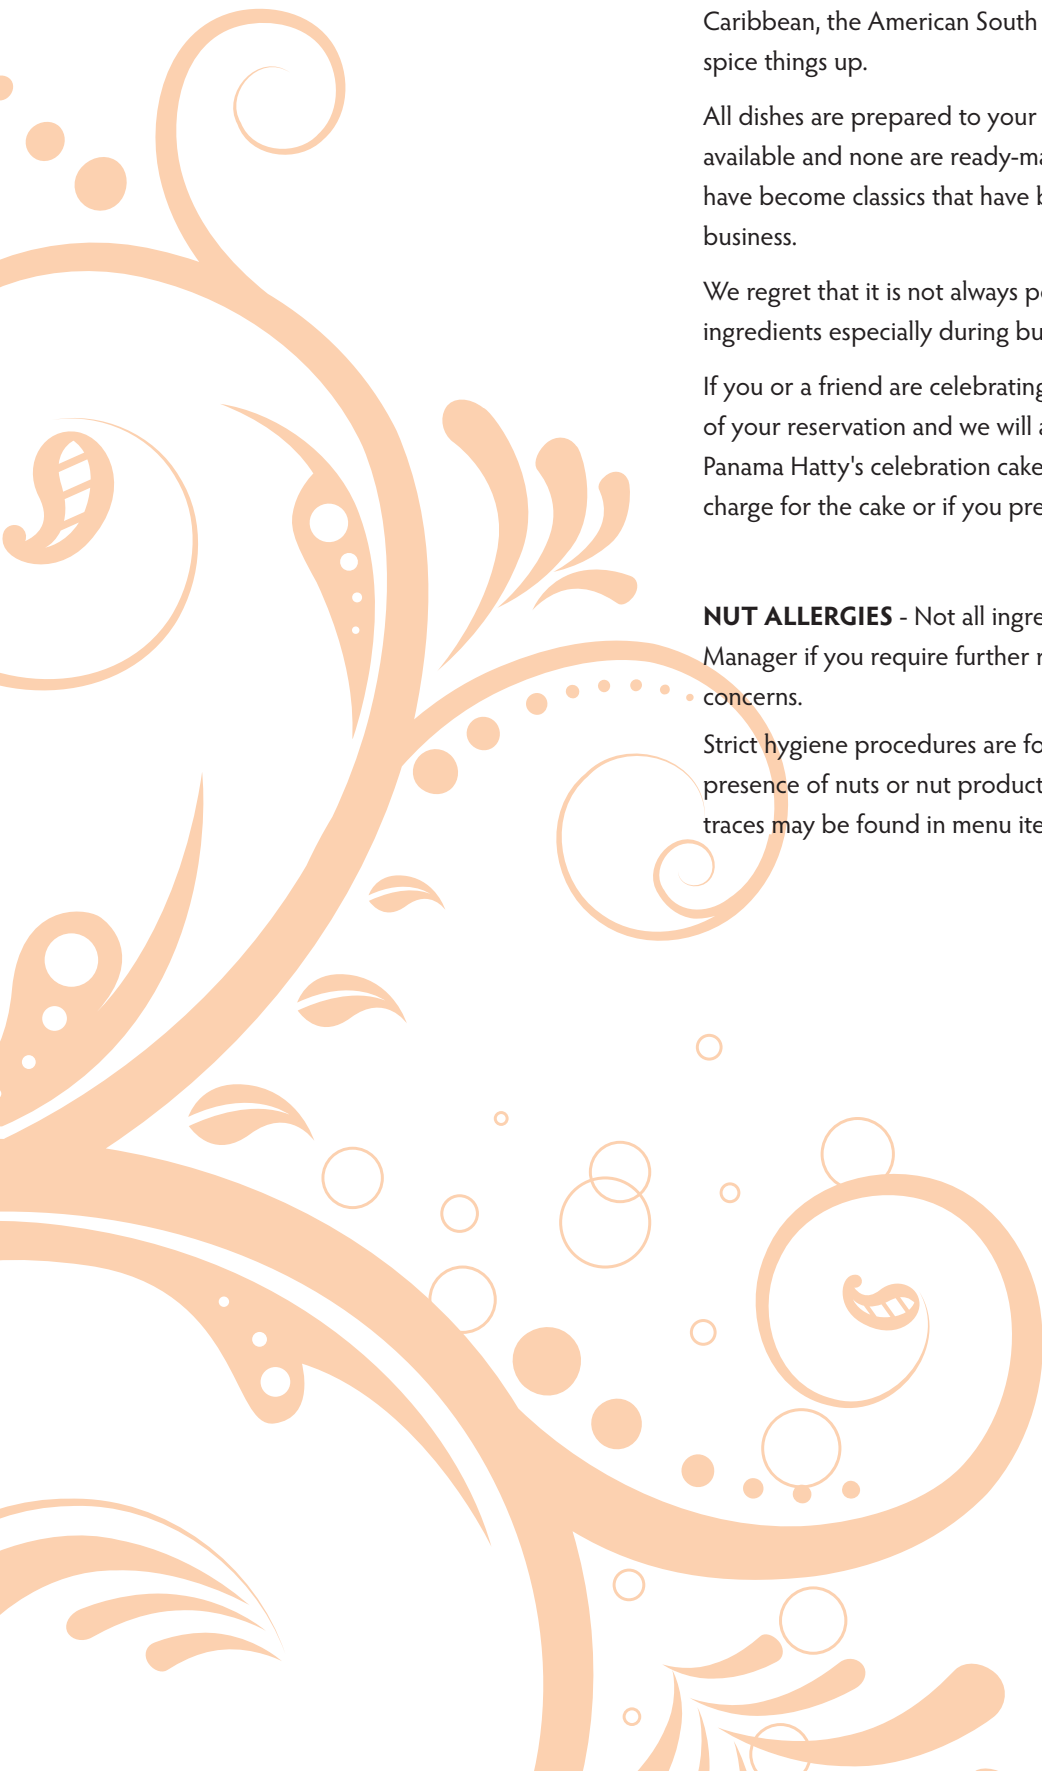

All dishes are prepared to your order from the best fresh ingredients available and none are ready-made or bought-in. Many of our recipes have become classics that have been used by us for over 30 years in the business.

We regret that it is not always possible to make alterations to these ingredients especially during busy periods.

If you or a friend are celebrating a birthday, please let us know at the time of your reservation and we will arrange for our tuneful team to present a Panama Hatty's celebration cake, after your dessert course (there is a small charge for the cake or if you prefer you can bring your own).

NUT ALLERGIES - Not all ingredients are listed - please speak to the Manager if you require further recipe information or have any allergy concerns.

Strict hygiene procedures are followed in our kitchen but due to the presence of nuts or nut products in some raw materials it is possible that traces may be found in menu items.
