## **Welcome to Panama Hatty's Restaurant**

Thank you for choosing Panama Hatty's, we hope you enjoy your visit here and that you recommend us to all your friends.

We are an independently owned restaurant that prides itself on style, quality of product, value for money and attentive service.

Our aim is to give you a dining-out experience to remember - good food, exciting, unusual and original drinks, and a warm and welcoming atmosphere.

The menu selection is taken mainly from the Latin countries, Mexico, the Caribbean, the American South West and a few other exotic places to spice things up.

All dishes are prepared to your order from the best fresh ingredients available and none are ready-made or bought-in.

Many of our recipes have become classics that have been used by us for over 30 years in the business.

We regret that it is not always possible to make alterations to these ingredients especially during busy periods.

If you or a friend are celebrating a birthday, please let us know at the time of your reservation and we will arrange for our tuneful team to present a Panama Hatty's celebration cake, after your dessert course.

(There is a small charge for the cake or if you prefer you can bring your own).

If you wish to discuss corporate events, private dining or other special functions, please ask the manager for details.
